# What's New for 2022

## Plan Name Changes

- Clover Health LiveHealthy PPO (2021: Clover Health Choice PPO)
- Clover Health LiveHealthy Value PPO (2021: Clover Health Choice Value PPO)

## OTC/Grocery Benefit

- Most Clover plans will have a combined quarterly OTC/grocery allowance.
- Members must qualify for grocery portion.
  - To qualify, members must have certain health condition(s) such as diabetes, chronic arthritis, or hypertension and be validated by Clover Health. (A complete list of qualifying conditions is available through Clover Health.)
- Members who qualify can choose to spend their quarterly allowance on grocery products only, OTC items only, or a combination of both.
- Members will receive one card.
- Members who do not qualify for the grocery benefit may use their full allowance on OTC only.
- Items that do not qualify are non-food and pet items, alcohol, baby formula, candy, chips, coffee shop items, desserts, fresh baked goods, soda, and tobacco.
- Allowances are on a quarterly basis and do not roll over.

## Insulin Savings Program

- Clover will be participating in the Part D Senior Savings Model.
- CMS maximum copay of \$35 for one-month supply
  - Clover Preferred Insulin copay: \$25/month
  - Clover Non-preferred Insulin copay: \$35/month
- Instant savings for insulin during the Deductible stage, Initial Coverage stage, and Coverage Gap
- Covered prescriptions are not subject to a deductible or any coverage gap cost increases throughout the plan year.
- Clover Value plans serving the LIS beneficiary will not be participating.

## Dental/Vision

- DentaQuest network expansion
- Three ways to use DentaQuest:
  1. In-network with DentaQuest
  2. Out-of-network dentist willing to bill DentaQuest
  3. Submit a claim for reimbursement (reach out to local Sales Manager for details)
- Clients should ask dentists or eye doctors “Do you accept DentaQuest or EyeQuest?”
  - Agents should not ask “Do you accept Clover Health?” as our provider for dental is DentaQuest.
- Please refer to each plan for specific coverage.
